

Student Success is our expectation!

Here's what our students say...

"Naugatuck Valley really has given me the opportunity that I needed to change my life and pursue my dreams. By making courses so available and affordable, NVCC has allowed me the ability to take the first step of the path of fulfilling my career."

*Olivia Melillo
NVCC Healthcare Student*

"I was very impressed with the facility. The Technology Hall manufacturing area provides an outstanding variety of resources. The GTAW course was very informative and our instructor, Joe Demeter, was very knowledgeable and provided a great atmosphere for productivity and fun!"

*James Porrata
NVCC Welding Student*

"The class has given me an extremely positive outlook for a security job. The teacher was positive and outgoing and created a fun and positive environment to learn in."

*Kevin Milia
NVCC Security Officer Student*

"The staff went out of their way to make me feel comfortable and were excellent and thorough at teaching me the routine and the various tasks performed by pharmacy technicians."

*Julie Brazauskas
NVCC Pharmacy Technician Student*

JOB TRAINING COURSES

SNAP Education & Training

The SNAP E & T program is designed to provide eligible individuals receiving Supplemental Nutrition Assistance with job training at no cost to them.

Is SNAP E & T Right for you?

- Do you meet the eligibility requirements?
- Do you know what type of career training you would like to receive?
- Do you want to strengthen your work history and resume?
- Are you committed to completing a job training program from start to finish?

If you answered 'YES' to these questions, SNAP E&T may be right for you!

Eligibility

Individuals are eligible if they meet the following criteria:

- receive SNAP benefits from the Department of Social Services;
- are NOT receiving TFA/TANF;
- are able and motivated to obtain employment upon successful completion of the program;
- and have not been enrolled at a SNAP E&T program elsewhere.

Additional Support & Services

The NVCC Center for Job Placement and College Opportunities will provide free assistance with the job search process. Participants will build skills to help them find employment that will lead to a career. These include seminars, one-on-one sessions on resume building, interviewing skills, and access to College Central for job postings and additional resources.
